

THE CALLER

Vol. 8 Issue 06-2 Week of June 9, 2008

A weekly newsletter of the First Christian Church (Disciples of Christ) of Lancaster, Texas

MELISSA'S MEMO

Last Sunday our church board approved our church participating in the **New Beginnings** church appraisal program. However, before our church invests in this program, the whole congregation will be asked for their approval. **New Beginnings** is a program that comes from the Disciples of Christ Homeland Ministries. It is meant to help Disciple congregations that are in

decline to make good decisions about their future.

New Beginnings will allow us to have an outsider or outsiders come in to evaluate our church. They will present a report to our church at the end of their gathering of information. The report will detail possible options for our church. The **New Beginnings'** personnel will not tell our church what to do, they will only make suggestions.

If we decide NOT to participate in the **New Beginnings** church appraisal program at this time, we will not be able to participate again until 2011 as they will not be in this area again until then.

If you want more information about **New Beginnings**, please see either me or Jerry Peck on Sunday, and we will get you a copy of the powerpoint that was presented

at the meeting at the Highlands Christian Church and a copy of the **New Beginnings** brochure.

Personally, I think that the **New Beginnings** church assessment program is an excellent potential resource for this church. As someone said during the board meeting, the assessment by **New Beginnings** will help to give our church a direction—which is something that we need. Also, it will help all of us to realize the situation that our church is currently in, and give us ideas on how our church can reinvent itself and revitalize our congregation.

Also, I want to remind you that **we are having Disciples' History and Beliefs classes on Monday night. Our class starts at 7:00 p.m., but we gather at 6:30 to eat dinner together (it is bring your own brown bag). Class is over sometime between 8:00 p.m. and 8:30 p.m.** The first week we learned about the founding four of The Disciples of Christ. Please come and join us for a time of study and discussion!

Please continue to pray for Ab, Anna, Annie, Bob, Margaret, Nancy, and Steve. Also, please continue to pray for God's guidance for our church.

I am privileged to be-

The Lancaster Masonic Lodge 160 is seeking blood credit through the Dallas Carter BloodCare system for a member of our church. After giving birth to twins about a week ago, she began internal bleeding. To date, she has had 10 units (many more) of blood to keep her stable. The doctors are confident they can find and stop the bleeding. If you, your family or friends can donate blood to this deserving family, we would appreciate it. The donation can be made through Lancaster Masonic Lodge #160 Sponsor number: 030830 with the Carter BloodCare. Those outside the DFW area can have their local blood donation center contact Carter BloodCare at 800-DONATE-4 for details on transferring blood credits.

REACHING OUT

How does the New Beginnings Assessment Service work?

New Beginnings takes place in six phases:

Phase I: The congregation sends in profile information of its current participants. The congregation is also asked to submit video of recent worship service, financial reports for the last three years, and insurance information.

Phase II: At a mutually agreed time, regional or area staff and a New Beginning consultant meet at your church for an on-site assessment. This entails a complete building inspection, financial review with the financial officer, a windshield tour of the community, meeting with the moderator and pastor, and an Appreciative Inquiry session with the

congregational and regional leaders that seeks to understand your programmatic and missional strengths. Your congregation will receive a 25 page report of this visit, including: Congregational demographics; Community demographics; Tenure of participants (church members); A pin map showing location of membership; Financial history; Building condition; Congregational appetite for change; Congregational energy level; Congregational relational levels; Evaluation of administrative, programmatic, and building resources; Potential strategies for mission.

Phases III, IV, and V will be discussed in a future Caller. This information is also available at the New Beginnings website: www.churchextension.org.

New Beginnings does not force change on a congregation, develop the long-term ministry plan or settle conflict within the congregation!

Words from Church Bulletins

Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.

Don't let worry kill you off - let the Church help.

Next Thursday there will be tryouts for the choir. They need all the help they can get.

The peacemaking meeting scheduled for today has been canceled due to a conflict.

and not give up.
Luke 18:1**

As a senior citizen was driving down the freeway, his car phone rang. Answering, he heard his wife's voice urgently warning him, "Herman, I just heard on the news that there's a car going the wrong way on Interstate 77. Please be careful!"

"Heck," said Herman, "It's not just one car. It's hundreds of them!"
